

Performance Report.

With Profits from Sheffield Mutual Friendly Society— consistently high performance.

Recent results published by Money Management Magazine have shown that choosing a Sheffield Mutual With Profits Plan can help you make the most of your savings.
 Figures based on investing £50.00 per month in to a conventional with profits savings plan.

Source Money Management Magazine published November 2009. Past performance is not a guide to future performance. With profits bonuses cannot be guaranteed in advance.
 If a with profits plan is cashed in before the end of the term then the investor may get back less than has been paid in.

These tables show the top ten offices still open for business through IFA's
