About Us

Sheffield Mutual Friendly Society has been improving the financial wellbeing of its members since 1892. Whilst we remain passionate about our heritage and mutual status, our products and services have been developed to include a simple range of trusted savings, investment and protection plans - with a particular emphasis on tax-efficient savings and investment policies.

Being an independent mutual organisation we have no shareholders to satisfy. This means that our success can be shared with our members through attractive investment returns and good service. Whilst past performance is not an indicator of future performance, our aim is to deliver greater potential returns to members throughout the life of their policy.

The Society is:

- A member of the Association of Financial Mutuals
- Authorised and regulated by the Financial Services Authority
- A member of the Financial Services Compensation Scheme

For further information about the Society and our policies, please contact us.

STOCKS & SHARES ISA

Your Future is
Our Business

Sheffield Mutual Stocks & Shares ISA

What is an Individual Savings Account (ISA)?

ISAs are investments with tax advantages, which are available if you are resident and ordinarily resident in the UK for tax purposes. There are two types of ISA available – Stocks & Shares ISAs and Cash ISAs. Sheffield Mutual only offers a Stocks & Shares ISA.

ISAs have special tax advantages, which means that your investment fund will grow tax free (with the exception of tax credits on dividends) and, under current legislation, which may change in the future, your returns will be completely free of income or capital gains tax and need not be declared on your tax return.

Can I have different ISAs?

The Government removed the distinction between Mini and Maxi ISAs in April 2008 but you are still able to invest, subject to the limits, in either a Stocks & Shares ISA or a Cash ISA. Each adult now has an annual ISA investment allowance of £10,200. Up to £5,100 of that allowance can be saved in cash with one provider. The remainder of the £10,200 allowance can be invested in Stocks & Shares with either the same or another provider.

Are there any limits to the amount I can save in a Stocks & Shares ISA?

Yes, the maximum is £10,200 or £850 per month in any tax year (6 April to 5 April). The minimum in the Sheffield Mutual ISA is £30 per month or a single initial premium of £300. However, if you save any part of your annual allowance in a Cash ISA with another provider up to the £5,100 maximum, this should be deducted from the overall limit.

Can I add to my investment?

Yes, providing you don't exceed the maximum annual allowance you can add to your ISA at any time during the year. If you are not paying on a monthly basis by direct debit the minimum additional investment is £100.

Can I stop paying premiums?

Yes, you can stop or vary the level of subscriptions during a tax year. However, if you do not make a payment in the whole of a tax year, and you wanted to start again you would have to make a new application.

Who can save in a Stocks & Shares ISA?

Anyone over the age of 18 or who will be 18 during the tax year in which the ISA is opened. You must also be resident and ordinarily resident in the United Kingdom, or if not be performing duties as a Crown employee serving overseas and paid out of the public revenue of the United Kingdom or married to such a person.

You cannot subscribe to a Stocks & Shares ISA with more than one provider in a single tax year.

Can I select the term of my Stocks & Shares ISA?

There is no specific term but to take full advantage, investing in this type of policy should be viewed on a medium to long term basis.

How do my savings grow?

Depending upon the performance of its investments, the Sheffield Mutual will declare a bonus rate annually in April and this will be applied to your policy. Obviously, the amount of bonus credited will depend upon how much you have saved and for how long. You will receive a statement during April notifying you of the amount of bonus and the present value of your policy. Bonuses are not guaranteed.

Where are the funds invested?

The Stocks & Shares ISA is invested in the Society's with-profits fund, which will include property, equities, fixed interest and cash, to provide a balanced spread of risk. Unlike Stocks & Shares ISAs that are invested directly in shares or a share tracking index, the capital you invest in the Society's with-profits Stocks & Shares ISA will not normally fluctuate from day to day. However, should you wish to close, transfer or withdraw funds from your ISA during adverse investment conditions, the Society may impose a Market Value Reduction, which could result in a loss of capital. Therefore the amount you will receive on repayment is not guaranteed.

Can I withdraw from my Stocks & Shares ISA?

Yes, you can withdraw a minimum of £250 at any time or you can close your plan. However, if you withdraw from or close your policy in times of adverse investment conditions, a Market Value Reduction may be applied which could in some circumstances result in a loss of capital.

Are there any charges?

Yes, the Society will deduct 2.5% of the value of the policy fund in year 1 and 1.5% each year thereafter to cover administration and expenses. The annual charge is normally deducted from the declared annual bonus rate before it is added to your policy.

What happens if I die?

On early death the Society will pay 101% of the policy value to either the surviving spouse or to the individual's estate. Interest will be credited tax-free up to the date of death but from then until the date that the money is paid, it will be subject to tax at the rate applicable at the time.

Can I transfer my Cash or Stocks & Shares ISA with another provider to Sheffield Mutual?

Yes, you can transfer some or all of the money saved in previous tax years with another provider from Cash or Stocks & Shares ISAs to a Stocks & Shares ISA with Sheffield Mutual without affecting your annual ISA investment allowance.

You can also transfer money saved in the current tax year with another provider in Cash ISAs to Stocks & Shares. These transfers must be the whole amount saved in that tax year in the Cash ISA up to the day of transfer.

Once money saved in the current tax year is transferred from a Cash ISA to a Stocks & Shares ISA, it will be treated as if it has been invested directly into a Stocks & Shares ISA in that tax year.

You will then be able to save up to the full remaining balance of the £10,200 allowance for that tax year.

How do I start my Stocks & Shares ISA?

You should study the Key Features literature and, providing you do not need any advice, complete and sign the application form, client agreement and direct debit authority (where applicable) and return them to Sheffield Mutual Friendly Society, FREEPOST RLUC-XKZE-RJAT, 3 Maple Park, Tankersley, Barnsley S75 3DP.

Can the Society provide me with advice?

Yes, if you would like one of our financial advisers to see you, either at home or other convenient location, **please write to us at 3 Maple Park, Maple Court, Tankersley, Barnsley, S75 3DP, South Yorkshire, or by telephone: 01226 741000, or via email on enquiries@sheffieldmutual.com**

Do I need to provide any additional information?

In order to comply with regulations, the Society will require confirmation of your identification and address. We will therefore ask to see documents such as a passport or driving licence and utility bills or bank statements before issuing a policy. If such documents are not available, we may be able to confirm your identity and address using an electronic verification system.
