

Tell-a-friend about us and you could both earn up to £50 in gift cards

A main contributor to our success are referrals from existing members. If you're happy with the service you have received from us, we would like you to recommend us to your friends and family so that they too can start enjoying the benefits of being a member.

As a thank you for every new member you introduce you will receive a £50 gift card and your friend will receive a gift card based on the amount that they save/invest (subject to minimum premium amounts invested).

By recommending friends and family to us, you will not just be giving them all the benefits that membership brings, you will also be helping us grow. As we go from strength to strength, we will continue to share our success with all our members.

You can introduce as many new members as you like, so feel free to tell as many of your family and friends as possible.

You can each choose either a Love2shop or M&S gift card. Love2shop cards can be used at a range of different outlets and you can find out more by contacting us or by visiting www.love2shop.co.uk

To recommend a friend, you can submit their details on our website via your online account, you can hand them this leaflet so that they can contact us, or you can contact us to pass over their information. Please make sure you have your friend's permission before sharing their details with us. We can contact your friend by telephone, email or by sending out information in the post, whichever is best for them.
