

Children's Tax Exempt Savings Plan

Tax-free savings only available through friendly societies

Let Sheffield Mutual help you save for a child's future

A plan only available through friendly societies (like us) and a great way to save tax-free for a child you care about

- ✓ Affordable plans starting from just £5 per month
- ✓ Decide how long you want to save, between 10 and 25 years
- ✓ Guaranteed amount on maturity, plus possible bonuses
- ✓ Start saving tax-free for something special
- ✓ Save for their first car, house deposit or university fees

Why Sheffield Mutual?

You may not have heard of a friendly society before, but they have existed for hundreds of years and were originally founded to provide benefits to people with limited resources in times of need with funeral and sickness benefit schemes.

Whilst times have changed, the ethos of providing products to improve the financial wellbeing of members remains true to Sheffield Mutual today.

We're run purely for the benefit of our customers (who we refer to as members), whilst providing a friendly alternative to banks and building societies. With no shareholders, any surplus profit is distributed to provide you with the strongest returns possible combined with the highest standards of personal service and ethical business practices.

Risks you should be aware of:

- If you surrender your plan before maturity (which is the term you select when first starting the plan), the child may get back less than you have paid in
- Tax treatment depends on individual circumstances and may be subject to change in the future
- Bonuses are not guaranteed

Get into the habit of saving tax-free with our Children's Tax Exempt Savings Plan

How much can I save in a Tax Exempt Saving Plan?

Under current legislation, the maximum individual investment in a TESP is £25 per month or £270 annually. The minimum you can save in the Sheffield Mutual plan is as little as £5 per month or £50 annually.

If you would like to save more than £25 per month, please ask us for details of our Children's Regular Savings Plan or Investment Junior ISA. It is also a "qualifying life policy" and you cannot pay in more than a total of £3,600 in a 12-month period into qualifying policies with Sheffield Mutual or any other life company or friendly society (excluding pure protection policies and protected qualifying policies issued before 21st March 2012).

Who can save in a Tax Exempt Savings Plan?

Anyone can start a plan or have several plans within the overall maximum levels of £25 per month or £270 annually. The maximum figure includes any tax exempt savings plans held with another friendly society, but is in addition to a child's JISA allowance. If saving for a child, on maturity or surrender the payment is made to the child as the beneficiary of the policy.

Can adults have a plan?

Yes, anyone can have a plan or have several plans with the overall maximum amounts of £25 per month or £270 annually. If you would like to open a plan for yourself, please request information on our adult Tax Exempt Savings Plan.

Why save with Sheffield Mutual?

As a mutual friendly society with no shareholders to satisfy, we are able to offer special plans that allow you to invest in these tax-exempt funds and receive tax-free returns on maturity. We specialise in offering with-profits policies, which offer greater potential returns by investing in a range of different assets - without exposing your capital directly to the stock market.

Where will my money be invested?

We invest in a range of different assets with the aim of providing a higher return in the medium to long-term than is achievable with a bank or building society account. Sheffield Mutual's with-profits fund is managed to provide medium to low risk investment, appealing to anyone with a more cautious approach to investment.

Unlike investments that are invested directly in shares or a share tracking index, the money you invest in the Society's with-profits JISA will not normally fluctuate from day to day.

Types of assets we invest in are:

-  **Property** the Society owns properties which provide income from rentals and potential capital growth. We may also invest in property and infrastructure funds to provide diversity
-  **The shares of UK and overseas companies** these provide income from dividends with the possibility of capital growth
-  **Fixed interest investments** such as government gilts and corporate bonds
-  **Commercial mortgages** from a small portfolio providing a fixed rate return
-  **Cash**

The proportion held in each of these will vary depending on market conditions. We can provide you with a guide to the spread of investments on request, or via our website. We seek to adopt an ethical approach to investing and it is our policy not to invest knowingly or directly in industries relating to armaments, tobacco, gambling or pornography in our with-profits fund.

How are bonuses calculated and paid?

We invest our funds as described above and receive a return on those investments, which can vary from year to year.

At the end of March, we review the returns achieved during the previous calendar year and then declare a bonus rate for each policy type for that period. The rate varies depending upon overall investment returns and is not therefore guaranteed to be paid at the same rate, or at all, in future years.

However, once bonuses have been added to the child's policy they will not be taken away, providing the policy runs to maturity.

Bonuses are calculated at the appropriate rate based on the 'sum assured' (your guaranteed final amount), not the amount of premium paid. On maturity (provided all premiums are paid) you will receive the sum assured plus bonuses added during the life of the policy.

The Society also tries to 'smooth' returns over the life of the policy by retaining some of the investment return in good years to maintain bonus rates in less positive years. However, to ensure you receive your fair share of returns on your policy over its lifetime, an additional final (terminal) bonus may be paid on maturity. Payment of this type of bonus depends entirely on investment performance and the rate at which annual bonuses have been added. It is not guaranteed and, if paid, the rate may vary from year to year.

Are there any guarantees?

Providing the plan runs to its planned maturity date, the Society will, depending on the amount you wish to save and for how long, guarantee a minimum sum assured (final amount) for more than you have paid in. The final value of your plan will depend upon investment performance, but bonuses are declared by the Society each year, and these are added to your guaranteed sum assured. Once added, these bonuses cannot be taken away.

Can I select the term of my savings plan?

Yes, you may choose the period over which you would like to save, with a minimum term of 10 years and a maximum of 25 years.

Can I make early withdrawals?

You cannot make any withdrawals, but if your circumstances change, you can surrender your policy. However, the plan is designed for medium to long-term investment and the surrender value may be less than the amount you have paid in. You may also be liable for additional tax on any investment gain.

What happens if I/the child die(s) before the maturity date?

In the event of death of the policyholder (the child) before the end of the term, we will pay out the premiums paid plus interest up to the date of death. Interest is calculated using the Bank of England base rate(s) that have applied during the term of the policy + 1%, though this could be changed in the future by the Society. Notice of any change will be given. If the person proposing the plan were to die, someone else could take over the payments, if there is nobody suitable, the plan could be closed and the payment would be made to the child.

Is life cover included?

No, this plan does not include any life cover. However, we do offer plans that include life cover, which we will be pleased to provide information about on request.

Are there any charges?

Yes, the Society takes a management contribution of 50% of premiums paid in year one. In the second and subsequent years, 7.5% of the annual premium amount. These are to cover the cost of expenses incurred in setting up the policy and maintaining it thereafter. The charges are deducted from the overall fund and taken into account when we calculate the level of bonuses we are able to pay.

What about membership?

A child is not classed as a full member, so cannot vote on the running of the Society but will have access to various discretionary benefits, such as optical and dental grants, and the proposer will have access to a range of discounts and offers.

Where can I get further help or information?

Our team would be more than happy to provide you with factual information about our products and services, so you can make your own decision about how to proceed. However, we are unable to give any financial advice or recommendations on the suitability of our products. If you are unsure, you should seek advice from a qualified financial adviser, which may incur a fee.

Do I need to provide any additional information?

To comply with regulations, the Society will require a copy of the child's birth certificate, passport or a child benefit letter. This must be independently certified if saving more than £50 per month (£600 per annum, this may apply if you are opening another policy at the same time as the Tax Exempt Savings Plan). We will also require confirmation of your identification and address. We'll aim to do this using an electronic verification system, but reserve the right to ask for appropriate documentation from you, if this is not possible.

How do I start my Tax Exempt Savings Plan?

Simply decide how much you would like to save, for how long and whether you would like to save monthly or annually. You should then read the 'all about us' section in this booklet, 'with-profits information' sheet and the Key Information Document and, providing you do not need any advice, complete and return:

- The application form
- 'Is this product right for me?' questionnaire
- Client agreement / non-advised sale letter
- Direct Debit Mandate (if applicable)

to the address on page seven of this brochure along with a cheque made payable to "Sheffield Mutual" for the initial premium if applicable. If you prefer, you can make your first payment by debit card over the phone, or you can make a payment directly into our bank account (please see our website for account details). You can also apply online at www.sheffieldmutual.com.

Please ask for details of our other products, which include:

- Tax Exempt Savings Plan
- Tax Exempt Savings Plan with Life Insurance
- Children's Regular Savings Plan
- Regular Savings Plan
- Investment ISA
- Investment Junior ISA
- Children's Investment Bond
- Investment Bond
- Income Bond
- Capital Plan
- Whole of Life Plan

All about us...

Sheffield Mutual Friendly Society Ltd is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority.

You can find out more about us by looking at our entry on the Financial Service Register at <https://register.fca.org.uk/> where our registration number is 139855.

We are an incorporated Friendly Society registered under the 1992 Friendly Societies Act and our number is 810F. For the purposes of the Insurance Distribution Directive we are classified as an insurance undertaking. For FSCS purposes our products are classed as a long-term insurance.

Our registered address is 3 Maple Park, Maple Court, Wentworth Business Park, Tankersley, Barnsley, S75 3DP

How to contact us

Our telephone number is 01226 741 000 and our email address is enquiries@sheffieldmutual.com

Our postal address is **Sheffield Mutual Friendly Society, 3 Maple Park, Tankersley, Barnsley S75 3DP**

You may contact us in any way which is best for you, whether it is just to get more information or to apply for new policies with us.

About our service

We will always provide you with all the information you need about our products and services. We do that through this brochure, the conversations we have with you and by providing the Key Information Document for the product which you must read. The products Sheffield Mutual Friendly Society provide are the Society's own products.

We are not a financial advice company and we do not make personal recommendations about the suitability of the product for you. Provided we are satisfied that the product meets your demands and needs, and it is not inappropriate for you to buy it, the information we give enables you to take your own informed decision to proceed with the purchase.

Our team, when they speak with you, ensure that you have all the information you need and are there to answer your questions openly and honestly.

Once a year we will issue you with a bonus statement and covering letter which will explain the financial value of your policy with us, how bonuses have been added and any ongoing management costs charged.

Every year we publish our Solvency and Financial Condition report on our website, the report can be found under the Corporate and Governance section.

We strive to always put your best interests first and as part of that the Board has established a Conflicts of Interest Policy to ensure we continuously try to identify between us, our directors, our employees and representatives, you the customer and our other business connections.

We establish internal processes and procedures to manage possible conflicts and to ensure you will not suffer any detriment or disadvantage should a conflict of interest ever materialise. The full policy can be sent to you by post on request.

How we remunerate our team

We take great care to ensure our employees are remunerated in ways which do not create any conflicts of interest for them or you, and we structure their pay so that there is no inducement for poor sales practices.

We do this by paying our employees salaries with a bonus element for successfully achieving business wide targets. These payments are made by Sheffield Mutual Friendly Society. We do not pay individual sales bonuses.

How we remunerate our third parties

When we receive your application for a product which has been referred to us by a third party (such as a financial adviser) we may pay them a referral fee. We may also pay a commission to a financial adviser who has arranged your policy without giving you a personal recommendation and has simply provided you with information about this service and assisted with your paperwork. If we pay such a fee the amount will be noted within your personal illustration before we process your application.

Your financial protection

We are covered by the Financial Services Compensation Scheme (FSCS) who you can write to at PO Box 300, Mitcheldean, GL17 1DY. Telephone 0800 678 1100. Further information is available on their website – <http://www.fscs.org.uk> or by clicking on the "FSCS protected" link on our website footer.

Some of the investments underlying this product are managed on behalf of Sheffield Mutual Friendly Society by professional investment managers, and they use nominees and custodians, in respect of investments purchased and held. The investment managers and their counterparts are not covered by the compensation scheme but were they to default, and this in turn caused Sheffield Mutual Friendly Society to default, then eligible claims may still be covered by the FSCS because your contract is with Sheffield Mutual Friendly Society. The FSCS does not cover losses arising purely from investment performance.

Your data protection

We are registered with the Information Commissioners Office and our registration number is Z6719617.

We are totally committed to keeping your data safe and secure and we will only use it for the purposes you agreed to when you gave it to us. Our aim is to always put your interests first and we do that by adhering to the requirements of the Data Protection Act 2018.

Our full Privacy Statement can be found here www.sheffieldmutual.com/privacy-policy or we will supply a paper version if you ask us to.

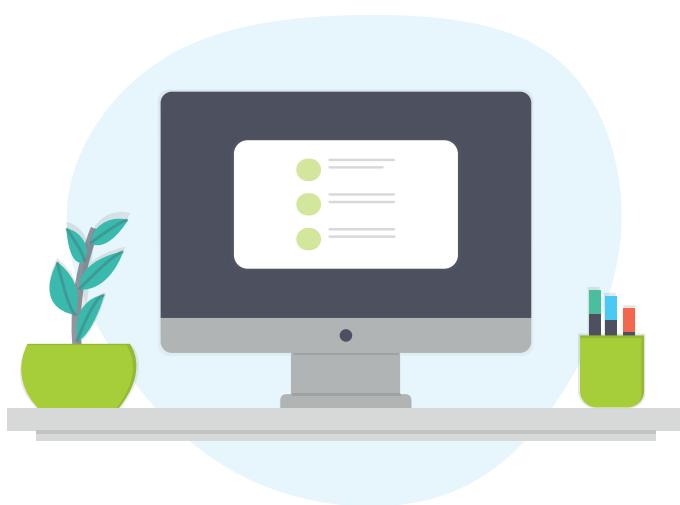

Complaints

If you wish to make a complaint about us, or another person who sold or advised you on this product, then please contact us either in writing to: The Chief Executive, Sheffield Mutual Friendly Society, 3 Maple Park, Tankersley, Barnsley, S75 3DP, by telephone: 01226 741000 or by email: enquiries@sheffieldmutual.com. A full explanation of our approach to complaints handling can be found on the Help and Support page of our website.

If you remain dissatisfied after we have given you our final response you may refer the matter to the Financial Ombudsman Service whose address is The Financial Ombudsman Service, Exchange Tower, London, E14 9SR and telephone number 0800 0234 567 or 0300 123 9123.

With-profits information sheet

What is a with-profits policy?

With-profits is a type of investment plan sold in the UK in which extra amounts may be added to the main benefit (known as the sum assured).

A with-profits policy offers a profit share through the addition of annual and final bonuses.

The amount of bonus will depend on how the investments in the fund have performed while you have been paying premiums into it. Regular bonuses may be added, usually each year, and once declared are guaranteed.

A final or "terminal" bonus may be added when the policy is closed after it has run its minimum or set term. The amount of bonus will also depend on the allowance we make for the expenses of setting up and running the policy. The Society is a mutual organisation, which means that there are no shareholders. The Society is, therefore owned by its members, which includes with-profits policyholders.

With-profit funds are typically invested in a mixture of equities, property and fixed income investments (see overleaf). Under poor market conditions a "market value reduction" (MVR) may be applied to the value of the policy. An MVR is designed to protect members who are not taking their money out of the Society during adverse market conditions and ensures that all members receive their fair share of the with-profits fund.

An MVR reduces the amount of payout you receive when withdrawing your monies during exceptional circumstances.

You will only see the effect of an MVR should you wish to withdraw your monies at the time there is an MVR in place. An MVR can be added, removed, increased or decreased at any time.

The following policy types are classed as with-profits:-

- Tax Exempt Savings Plan (TESP)
- with or without life insurance
- Regular Savings Plan
- Investment Bond
- Income Bond
- Investment ISA (Individual Savings Account)
- Investment Junior ISA
(Individual Savings Account)

Understanding our with-profits fund

Sheffield Mutual's with-profits fund is managed to provide a medium to low risk investment, appealing to individuals with a more cautious approach to investing. When you invest with us, we pool your money together with other members' in the with-profits fund.

The with-profits fund invests in commercial property, shares, fixed interest, cash, bonds and government gilts. With-profits aims to offer a better return than a typical bank or building society account, but is not as risky as investing all your money directly on the stock market as we 'smooth' returns.

Explaining smoothing

A particular feature of with-profits is 'smoothing'. This is the process where we hold back some surplus profit in good years so we can top up policy bonuses in years where the performance is not as strong.

Smoothing aims to even out the short term ups and downs that is often associated when investing directly in the stock market and has enabled the Society to maintain stable bonus rates even in volatile markets.

The payment of policy bonuses is not guaranteed and depends on the performance of the with-profits fund.

Glossary

Annual bonus

This is the bonus we may add to your policy each year. It is sometimes called a regular bonus.

Assets

These are the investments held within the Society's long-term business fund.

Equities

Equities are investments made in shares of a company that is (typically) traded on the stock market.

Final bonus

This is the bonus that we may add at the end of the investment. It is sometimes called a terminal bonus.

Market value reduction

This describes an adjustment to the value of your policy in adverse investment conditions, in order to ensure you receive your fair share of the fund on surrender or encashment.

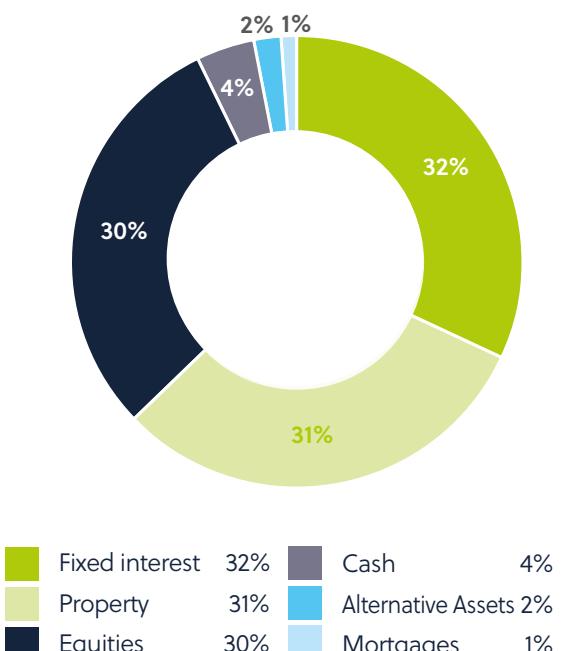

Sum assured

This is the amount shown on your illustration and is the guaranteed minimum you will receive on maturity or death (depending on the type of policy), providing you continue to pay all the premiums due.

Surrender

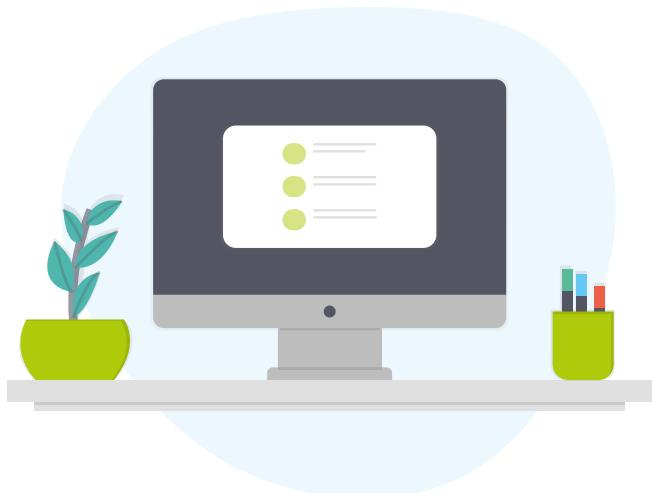

To cash in your policy before the end of its term.

Asset allocation

As at 31/12/2023

Our strategy is to achieve a balanced return of income and capital growth through a combination of good quality assets. We hold a higher proportion of commercial property as we can generate healthy yields from long-term leases with reputable tenants. We maintain a reasonable exposure to shares in order to preserve the value of investments over time but hold some of the funds in other assets to improve diversification and spread risk.

Issued by Sheffield Mutual Friendly Society Limited, 3 Maple Park, Maple Court, Tankersley, Barnsley, S75 3DP.
Authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority. (Financial Services Register No. 139855 and Friendly Society Register No. 810F).
